09 NATIONAL CONFERENCE
TRAFFIC BEYOND TOMORROW...

ABSTRACT GUIDELINES FOR CALL FOR PAPERS Deadline 20th February 2009

Thank you for responding to the "Call for Papers" for the AITPM 2009 National Conference.

Authors are requested to prepare abstracts focused on the conference theme;
"Traffic Beyond Tomorrow....."

All abstracts must be submitted with this form to the Conference Secretary by 20th February 2009. Please note that submission of abstracts by email is required.

Abstracts must be submitted using the Abstract Template attached and should be no longer than about 15 lines or 200 words. The abstract should be self contained and explicit, setting out the ground covered and the principal conclusions reached. We would also be interested in knowing a little about your professional background and would ask that you include a short CV for each author/presenter as a separate document.

All presenters will be required to submit a formal paper as well as a PowerPoint presentation. Appropriate templates and critical dates will be provided with notification of abstract acceptance. Discounted registration rates are available for presenters and **acceptance of papers is conditional on registration**. Presenters are responsible for their own expenses.

Authors will be notified by end of March whether or not their abstract has been accepted.

Please email your abstract and short biography to aitpm@aitpm.com no later than Friday 20th February 2009.

For all Conference enquiries please contact:
