Golf Day Sponsor:

The AITPM Queensland Branch invites members and their guests for a golf day – come and experience first hand one of South East Queensland's most picturesque and challenging golf courses. Adjacent to Nudgee Beach, its proximity to Moreton Bay means that cooling breezes are a regular feature.

The event will be a four-ball Ambrose format with various team and individual prizes awarded. You are welcome to arrange your own team or alternatively you will be placed into a team of four on the day. *This is a 'non-golfer friendly' event - golf skills are not essential to enjoy the day.*
