AITPM Queensland Branch New Year Joint Networking Function

Transport Technical Societies New Year Networking Event

Thursday 28 January 2010 – 5.30pm
Engineering House, 447 Upper Edward Street, Brisbane

Supported by

Queensland Government

Join us on this Networking event jointly hosted by AITPM, Engineers Australia Queensland Division - Transport Panel, PedBikeTrans, CARRS-Q and the Queensland Chapter of ACRS. Refreshments will be provided.

Dennis Walsh, Executive Director (Road System Operations) with the Queensland Department of Transport and Main Roads, will officially welcome participants to this networking opportunity. Dennis joined Main Roads in February 2000 where he was responsible for the provision of policies, services and standards in the areas of Network Operations and Performance and ITS Infrastructure. Dennis has held executive roles within Main Roads since July 2007.
