The AITPM Queensland Branch invites members and their guests to attend the 2009 Annual Dinner, to be held at the Tattersall's Club in Brisbane. This represents an excellent opportunity to catch up with colleagues over a two-course dinner, whilst also hearing from our esteemed presenter.

The evening's presenter is Mr Derek Skinner, General Manager of the Major Projects Office of the Department of Main Roads. He is a long serving member of the Department of Main Roads, with significant experience in various district offices and metropolitan Brisbane. In his role, Derek is committed to ensuring Main Roads has the capability to lead and manage delivery of major road and transport infrastructure.

Derek will be presenting us with an update of the status of major projects delivered or in progress under SEQIPP (South East Queensland Infrastructure Plan of Projects).
