ACTIVITY CENTRES ... **Policy setting and traffic outcomes**

4:30pm – 6:00pm
Thursday 14th August 2008

Department of Transport Theatrette

Level 5, 121 Exhibition Street, Melbourne

Activity Centres are an important component of Government planning and sustainability policy at various levels.

This forum will provide an update on how Activity Centres are evolving, in order to provide a context for an overview of the forthcoming Austroads guide to traffic management in activity centres. The roles of those responsible for traffic management, and the tools available to them, will be canvassed. The presenters will provide –

- A policy and desired outcomes context from Government;
- An outline of the scope of the new Austroads Guide, and some specific issues that arise when dealing with traffic in activity centres; and
- An examination and evaluation of some of the outcomes from this process.

Guest Speakers:

Paul Buxton, *Manager Activity Centres Transit Cities & Employment,
Department of Planning and Community Development*

Dr Ray Brindle, *Eldamar Research Associates,
Author of Austroads Guide to Traffic Management Part 7: Activity Centres*

Fiona de Prue, *Senior Development Manager, VicUrban*

There is no charge to attend this forum. Please confirm your attendance so we can prepare your visitor's pass.
