Barefoot Bowls is a great and novel idea for a work team-building function, family get-together, birthday party or social occasion. Because of the timing of the National Conference a social function has been planned.

The Mt Gravatt Bowls Club has an undercover bowls rink so inclement weather cannot spoil this gathering. Attendees can either play in bare feet, socks or shoes if they are flat soled (no tread or heels). The ticket price includes several bowls games and a bowls club bistro dinner. A cash bar will also operate on the night.

Members $30 (including spouses) Non Members $35
